# CardSnacks

How to Create Your Own Card Cover

1 Go to cardsnacks.com. If you already have a CardSnacks account, click "Login". If you don't already have one, click "Sign Up".

2 For returning users, enter in your login information. For new users, enter in your information on the Sign Up page.

**3** Under the "Your cards" category, click "Your uploads".
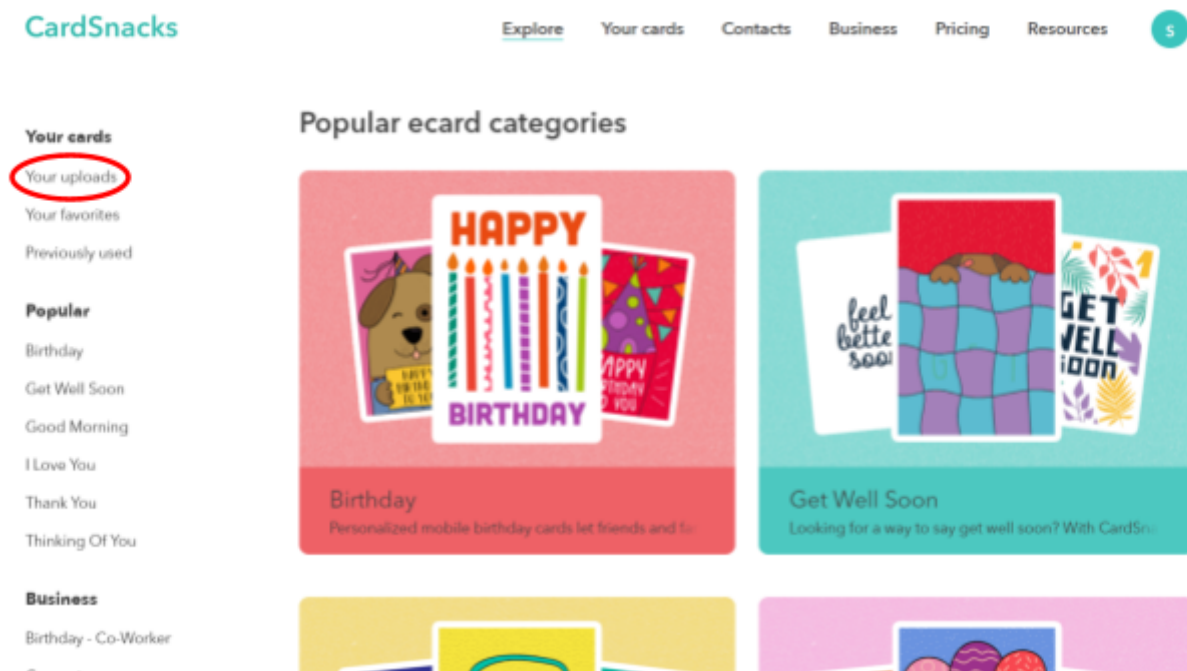

4 Click "Upload image" to select the image you want to use. Be sure to follow the supported file types (JPG, JPEG, PNG) and aspect ratio (2:3).
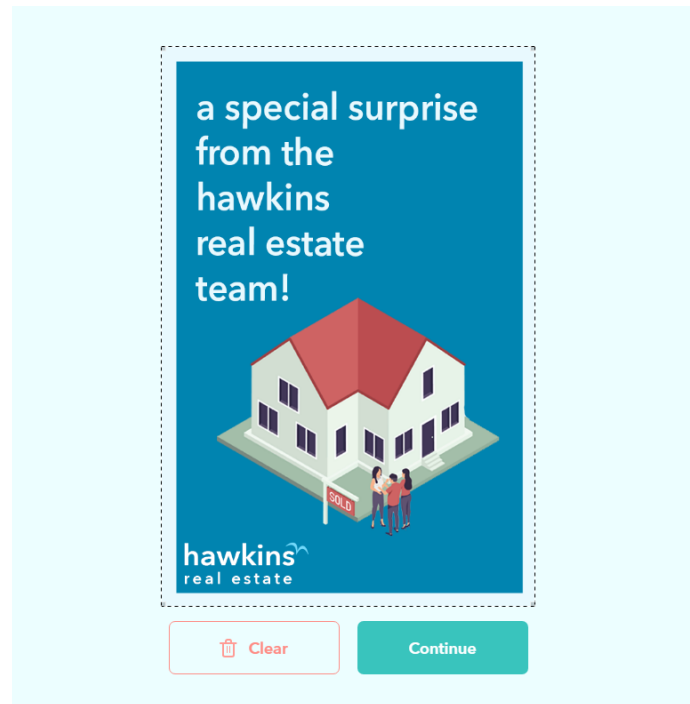

All categories / Your uploads

Your uploads

Showing cards 0 - 0 of 0

5 Adjust the cropping of the image, then click "Continue".

6 The image you uploaded will appear on the "Your uploads" page. When you are ready to customize your card, click on the image.

7 Congratulations! You have now uploaded a card cover that you can personalize and send.

a special surprise from the hawkins real estate team!
