Want to add money?

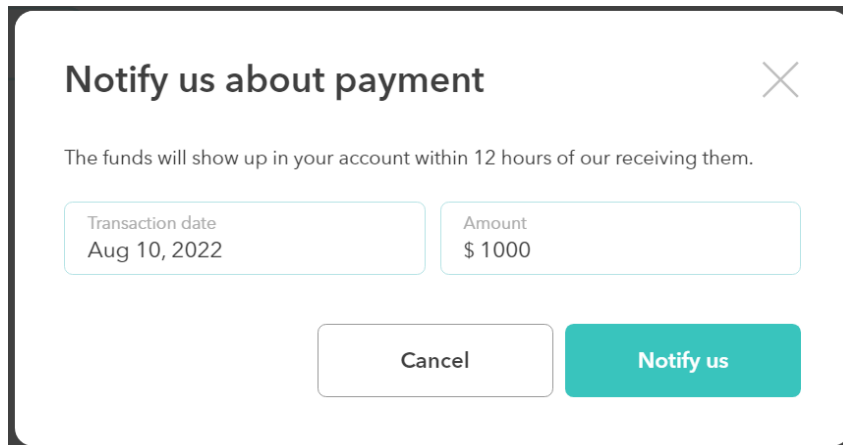

Please select how you'd like to add money:

Wire transfer / ACH	Credit card								
<p>Send money via wire transfer or ACH</p> <p>To add money to your balance, send a wire transfer or ACH using the following bank account information, and tap the "Notify us about payment" button below.</p> <p>Notify us about payment</p>	<table><tr><td>Bank</td><td>JP Morgan Chase</td></tr><tr><td>Account name</td><td>Mobigram LLC</td></tr><tr><td>Account number</td><td>886908966</td></tr><tr><td>Routing number</td><td>021000021</td></tr></table> <p>Please reference ID# 1232561 on your payment</p>	Bank	JP Morgan Chase	Account name	Mobigram LLC	Account number	886908966	Routing number	021000021
Bank	JP Morgan Chase								
Account name	Mobigram LLC								
Account number	886908966								
Routing number	021000021								

4a If you decide to Wire transfer/ACH the money, go through your bank to send the money over. Be sure to put your unique ID# in the memo. (Note: Make sure you use the ID# from your account, not the one in this tutorial. This number is different for everyone).

5a After you transfer the money through your bank, click “Notify us about payment”. Enter the Transaction date and Amount you sent. Then, click “Notify us”. The funds should show up in your account within 12 hours of when we receive the funds.

The screenshot shows a modal dialog box titled "Notify us about payment" with a close button (X) in the top right corner. Below the title, a message states: "The funds will show up in your account within 12 hours of our receiving them." There are two input fields: "Transaction date" with the value "Aug 10, 2022" and "Amount" with the value "\$ 1000". At the bottom, there are two buttons: "Cancel" and "Notify us".

4b If you decide to pay using a credit card, enter the amount you want to add and your credit card information. Then, click “Pay”. The money should appear in your account immediately. Note: using a credit card will add a 3% processing fee.

The screenshot shows a payment form with two tabs: "Wire transfer / ACH" and "Credit card". The "Credit card" tab is selected. A yellow information banner at the top states: "3% processing fee is added when you fill account balance using credit card." Below this, there is a section titled "The amount you want to add" with an input field containing "\$ 1000". The next section is "Credit card information" with the sub-label "Paying with Card". It features a dropdown menu showing a Visa card ending in 1111, with a checkmark icon to its right. Below the dropdown is a link that says "Choose another way to pay". At the bottom left, it displays "Total amount to pay \$1030.00". At the bottom right, there is a teal "Pay" button.

5 Congratulations, you have successfully added funds to your Account balance!
