3 When you finish signing up for a CardSnacks account, download the CardSnacks app on your mobile device from the App Store or Google Play.

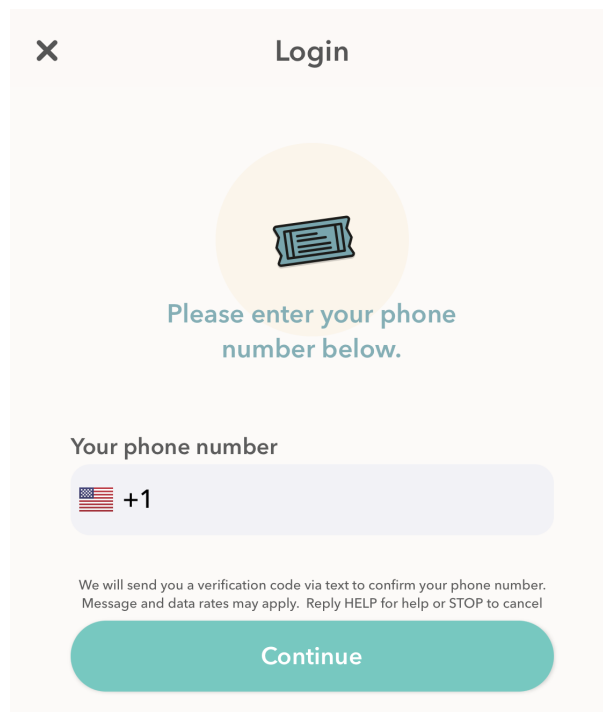

4 After opening the app, tap on the three white lines in the top left corner.

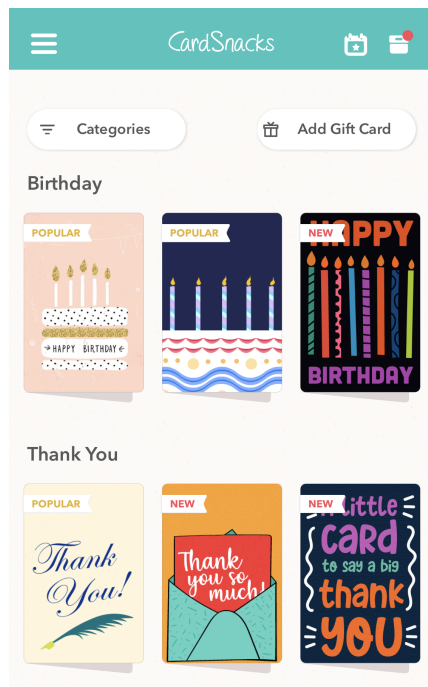

5 Click "Sign In".

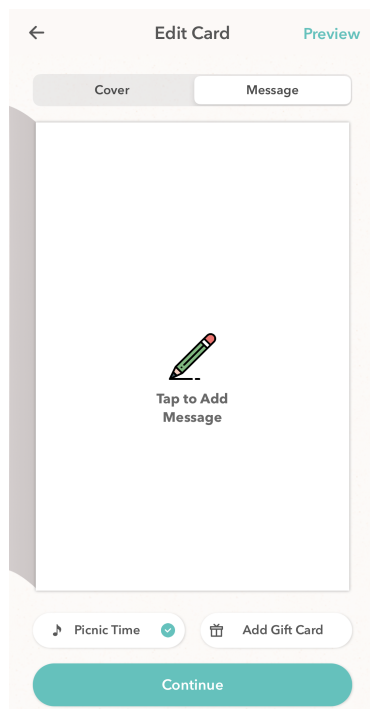

6 Login with the same phone number you used to sign up with on the CardSnacks website.

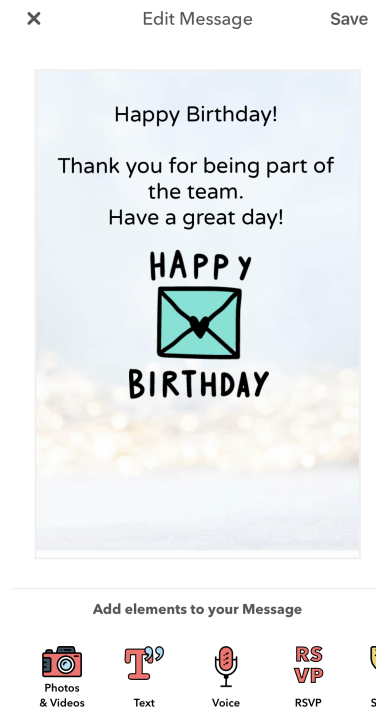

7 When you finish signing in, select which card you want to send.

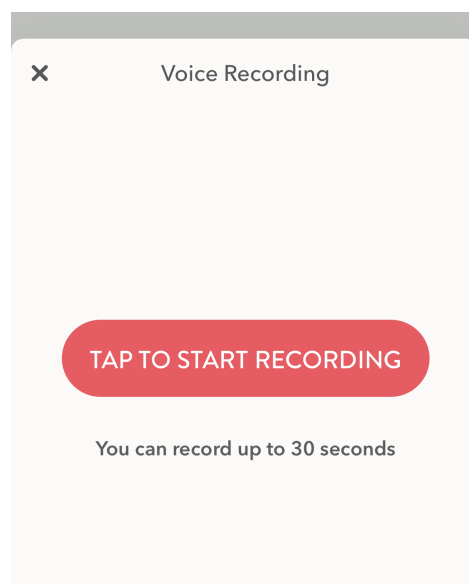

8 Swipe to the "Edit Card" page. Then, tap to add your message.

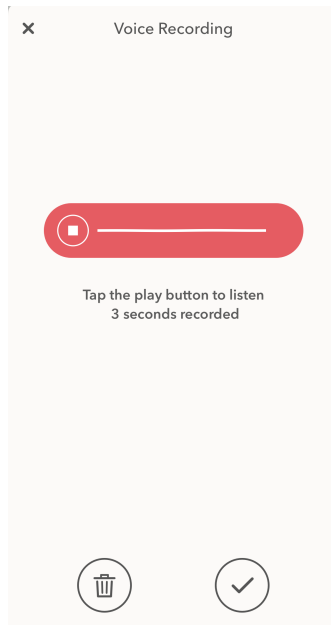

9 Use the features at the bottom of the screen to decorate your card. When you are finished, click the “Voice” button. If you want to only add a video/photo, skip to step 12.

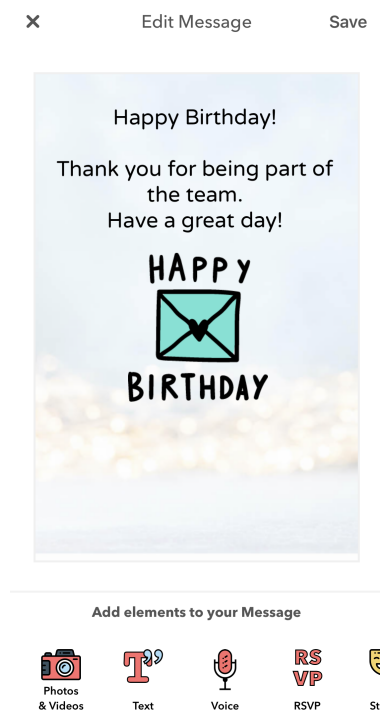

10 Tap to record your voice memo.

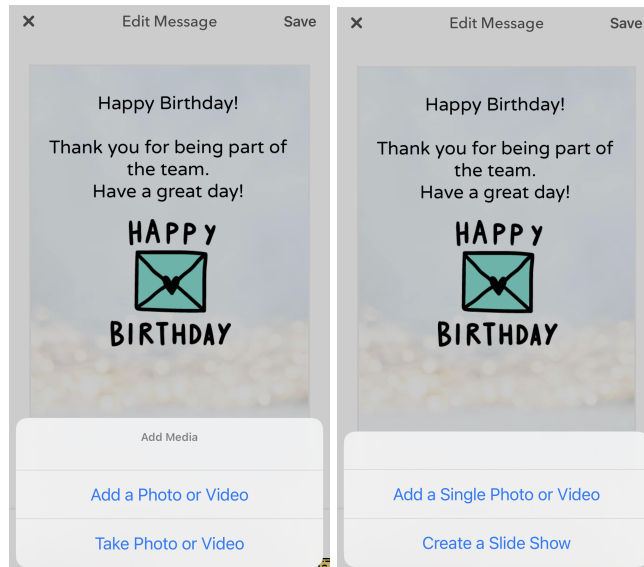

11 When you are finished recording, click the check mark to add it to your card.

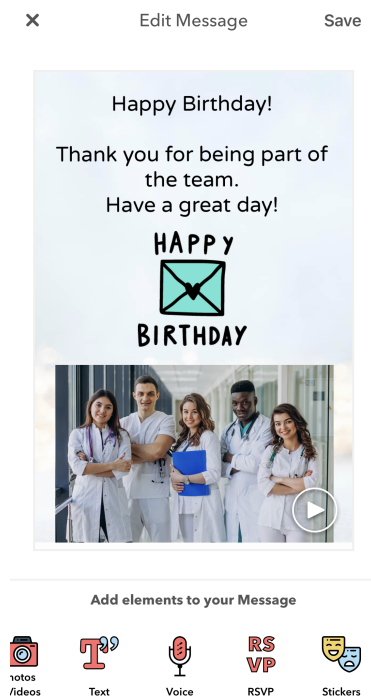

12 To add a photo or video, click the "Photos & Videos" button.

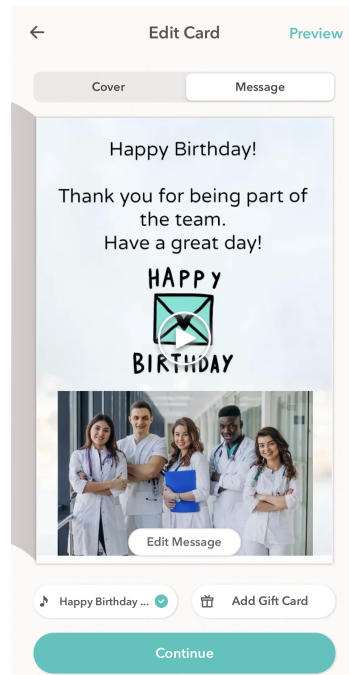

13 Select whether you want to add a single photo or video or create a slideshow. Then, select whether you want to add the photo(s) or video(s) from your camera roll, or take them.

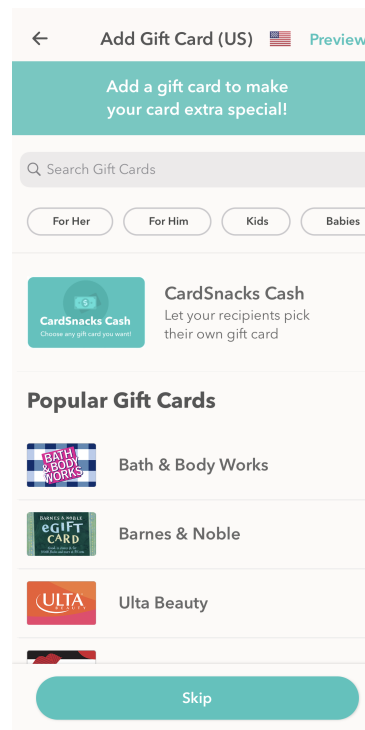

14 After you select your picture(s) or video(s), adjust the placement of it on the card. When you are done, click "Save".

15 When you are finished customizing, click “Continue”.

16 If you want to add a gift card, select it to add it to your card. If not, click “Skip”.

17 Once you reach the “Add Last Details” page, the card will be uploaded to your account on the CardSnacks website. Now, you can exit the app and return to cardsnacks.com on your desktop.
