4 If you are a CardSnacks Premium user, you can personalize your Message so that the recipient's first name or last name (or both) appear in the Message. Type FIRSTNAME or LASTNAME where you want the recipient's first name or last name to appear. For example, if you type Dear FIRSTNAME, each card will be personalized so that the recipient's first name will appear in his/her card (e.g. Dear Sam, Dear Kelly, etc.)
